

ALERT TOPIC	New Driving/Phone Law	ALERT REFERENCE:	2022-H&S
TARGET AUDIENCE:	Everybody	AUTHORISED BY:	N Roper
DATE OF ISSUE:	Friday 6 May 2022	DISPLAY UNTIL:	End Oct 2022

INTRODUCTION

From March 2022 motorists are breaking the law if they use a handheld mobile phone behind the wheel for any use, including to illuminate the screen, check the time, accessing an app, unlocking the device, taking photos or videos, scrolling through playlists, playing games etc. The change in the law is designed to close a loophole previously exploited by dangerous drivers to escape conviction.

REASON FOR ISSUING THIS ALERT

- To inform people of the new law affecting drivers working and everyday life.
